

A Ministry To The Hurting Youth Of The Inner City

This has been an exciting year for Hope for Homeless Youth and in many ways one of our toughest years. But God is FAITHFUL and has shown us time and time again HIS hand

December Christmas Letter

Christmas greetings in the name of our Lord and Savior Jesus Christ. We are starting this New Year with great optimism and enthusiasm for what God is doing here at Hope for Homeless Youth. Each week we go out into the streets and find broken and desperate young men and women. These young people come back to our ministry homes, Their lives are being dramatically rescued, saved and set free through the power and love of Jesus Christ. Christmas is a time when many homeless kids and youth deal with suicide because they have no family go home to. So we're very burdened to be the family to those precious kids that don't have father or mother or any relatives for Christmas and holidays.

Our big Christmas party will start at 6 PM on Sunday the 22nd. Everybody is invited to come. If this letter reaches you too late you can still send some funds or partner with us as we will be going out on outreaches to the youth on the street throughout the new year. If you want to give extra that would be great. It takes about five dollars to feed each of them and give them presents. There will be a bunch of them this Christmas. We are expecting about 100 youths or more. Things we need are toys, wallets, toiletries, and backpacks. Blankets, coats, sweaters, and small tarps would also be great. We can also use turkey, ham and pies for the Christmas party or financial funding to cover the expenses.

Pastor Clayton's Corner

I want to begin with an apology for being so late getting this Christmas letter out and reporting on our Christmas party to the homeless and the needy youth and our New Year's outreach. I've been struggling with a broken tooth that finally had to be removed and the partial paralysis of my right side of my face that resulted from the car accident and the brain tumor removal.

I'm so grateful for the loyalty and generosity of all God's people and the churches that have supported us this past year. This past Christmas was a remarkable time for Hope for Homeless Youth. With your support you have enabled us to go and touch more young people's lives than ever before.

November Family News

The family is doing very well. Leanne is very busy homeschooling Elijah and helping to teach other home school kids. Abigail attends a Christian college full-time. Polly is being trained to be a base leader in YWAM in Asia. Hannah helps me part-time in the ministry and enjoys married life. Thank you so much for your prayers as my face is still partially paralyzed, but i'm believing God for healing. Words cannot express our gratitude and appreciation. Thanks for all of your generous prayers, giving, and most of all, your special friendship in Jesus.

We love you all,
Clayton Leanne and the HFHY family.
