SOUTH CENTRAL MINISTRY CENTER :

Providing housing (on select basis), regular Bible studies, counseling, transitional living, ministering to the community, reaching out to gang members, prostitutes, and hurting youth.

This month we are very excited to feature too aspects of our ministry. Firstly we want to feature our ministry to run away and homeless youth. And secondly we want to feature a young man's Testimony that we are very proud of in Jesus . Is a member of our inventors club, Technology From Heaven.

Our Sunday night home group service afterwards we cook a nice home cooked family meal.

On the right is Delano, age 19 From the Navajo reservation in Arizona. He ran away from home after having a falling out with his mother. He lived in a car for 10 days before he found us on the Internet. Since he's been with us we have see him re-dedicate his life to Jesus, praise God!, and also seen him reconcile with his mother. It's just so good to be able to help these precious guys like Delano, thank you so much for all your support.

Our Friday night Inventor's club meeting everybody is invited, we teach people how to hear from God and receive creative ideas and then find a buyer for their invention in exchange for royalties. It's a lot of fun.

To the left is Devon. He's one of the precious guys that are in our men's home mentoring program. He's really come to know Jesus personally since he is been in our program. He is a vital member of our inventors club ,Technology From Heaven here he learns to fly one of our helicopter inventions. It's a glove that controls the helicopter. It's called Force Flyer.

Report to Date:

1. 21,980 persons fed.
2. 3,121 people saved.
3. 30,457 reached.
4. 506 saved at the church in the park and gang prevention services and outreaches.
5. 523 saved in the red light district and surrounding areas.

Ministering to community residents, feeding and giving clothing to the low income community and gang members.

Street Level Sunday Night

Sunday Services

Every Sunday night service at our 91st Street South Central Ministry Center 7:00pm

This is the testimony of one of the precious guys in our inventors club who lives in our men's home and is enrolled in our full-time mentoring program. He is a real blessing and this is his testimony.

My name is Devon and I am 22 years old. I've been with the Hope For Homeless Youth (HFHY) and the inventors club for about six months. I grew up in North Hollywood in a gang neighborhood oppressed by a gang called 18th St. I can remember starting out having a rebellious attitude toward my father at age 15. When my family changed living location, I moved out of the house at age 18. This newfound freedom led me into a decadent lifestyle of partying, being promiscuous and constant marijuana smoking. Marijuana really messed me up, it made me lazy, unmotivated, and not willing to get a job, and plainly antisocial. I found out about HFHY from Ben, the assistant director of the men's house.

I can remember distinctly one Sunday night at the men's home when Pastor Clayton gave a message during our evening service that touched my heart. I felt convicted to make a commitment to Jesus, Praise God!!! I came forward at the altar call that very Sunday night, and some of the guys in the house prayed over me.

Since I've been at the men's home, God has really helped me to be delivered of my anger and my immoral lifestyle. The mentoring program at HFHY has really help me to slowly fall in love with Jesus. All praises to Him! I love Him!

I really enjoy being part of the inventors club. It helps me to be motivated to learn patenting and product development. My goal is to be a sound engineer and raise a Christian family. I really love the good Lord and I am so grateful for all He has done in my life. I've set my life to live for Him.

God bless you.

Sincerely,
Devon

Family News

My wonderful wife is working so hard homeschooling Elijah and doing home school work and ministry. Hannah helps her part time and helps with the ministry part time. Ram works his job at security at the hospital and is doing great. Abby is going to Azusa Pacific in training to be a nurse. Polly full-time missionary with YWAM beening trained to be a base director.

Ministry News

No human words can express our appreciation for all your prayers and financial support. We are now in five locations and looking and praying in the finances to move everything into one central building. Please keep us in prayer
