

Technology from Heaven Product Go Form

Step One: Think about your idea and give it a brief description:-

Step Two: Come up with 6 names you would call your product:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

Step Three: Go to the following websites and do a product potential search. Search these sites with the names you created to describe your idea. On a separate notebook write down any and all products that come close to your idea and print out the picture/description. Try to do a thorough search, don't cheat yourself. If there is something else out there we need to know:

1. Amazon.com
2. Google.com
3. Walmart.com
4. Ebay.com
5. Yahoo.com
6. Bing.com
7. Your favorite shopping website.

Step Four: If you find other products or ideas like yours and you are now feeling a bit down. Don't worry. Think about how you can improve your idea by a 15% change and then start over at step one and bring these forms to your consultation.

*** Your idea will be protected by a Nondisclosure Agreement completed at the conference prior to your consultation.**
