TFH (Technology From Heaven)

The Manufacturer *and* Inventor* of the **Phido** Phone Leash

PHIDO is selling extremely well. With a number of stores sold out the first week. Each year 80 Thousand cell phones are lost in America and this unique retractable cell phone leash is a perfect solution. The retractable reel/chain, removable clip and adhesive mount are extremely strong and we offer a lifetime factory guarantee. The chain mount combination doubles as a handle for retrieving the cell phone from a woman's purse, a man's pocket or a backpack. The chain easily connects and disconnects from the cell phone. Therefore Two snag resistant adhesive mounts come in each package. Adhesive will adhere to any cell phone or cell phone cover that possesses a hard surface. The Mounts are designed so they can be easily removed with a plastic knife or credit card and will not harm the cell phone.

*TFH holds two Utility Patents Pending

Phidos are best sold in a display dispenser jug and placed next to the cash register. Each jug comes free of charge with the purchase of 24 units.
